

CONFERENCE CENTER

Thank you for inquiring with the Comfort Inn & Suites featuring North Star Conference Center for your wedding reception needs.

We have a gorgeous facility that can accommodate up to 400 people but can be spacious enough for 150 people.

Please visit our website www.northstarconference.com to find a full copy of our banquet menu...with many options

and pricing available! All food and beverage is to be provided by the hotel, our banquet kitchen prepares all food onsite.

Included with room rental is set up, clean up, linen, glassware, china, silverware, square mirrors and 2 votive candles for centerpieces (you can use all or none of that and add your own items as well), bartenders are included, cake cutting is included and a complimentary bridal suite the night of the reception is included as well.

Our room rental for a Saturday reception is \$1000.00 and a Friday reception is \$700.00.

Hotel rooms would be offered to your guests at a discount of 10%.

As far as taste testing go, we typically offer 2 tastings a year, one in the fall and one in the spring.

Please contact me if you have questions of if you would like to tour the facility.

Thank you,
Alycia Prince
